**BUTCHER JACKS** - Highest Quality Meat, Lowest Possible price

**About Us:** Founded in 1995, Butcher Jacks has been serving the Glenfield Community for quite some time now, becoming the best Butcher Shop around.

Now in its new premises in the new Wairau Junction Complex alongside Produce Planet and behind Valentines on Wairau Road. John and Jacque, owner operators of this family run business and their qualified team of butchers and packers are totally focused on providing their customers with only the best of New Zealand meat.

**Our Service:** We're a store that focuses on great service, which brings our customers coming back every time. Our community relationships are important to us, which is why we go above and beyond with our service. We have a large range of products stocked in shop and if you can't see it or have a special request, speak to one of our helpful staff and we will do our best to accommodate you. Stop by our store and see why the extra services we offer make all the difference in the world.

As the son of a butcher, John is proud to be able to maintain the traditional butchery skills taught to him by his father as well respecting his customers and giving them individual detail and promoting only the best of New Zealand meat.

We have a wide selection of quality products that we're sure you'll just love. Stop by to have a taste!

**Award Winning Meat:** We have a range of award winning meat in our store. From our Hams and Bacon which have won awards at the New Zealand Bacon and Ham competitions to our various slow cooked meats which our friends at Team BBQ wars use to clean up in competitions such as the Jack Daniels National BBQ Competition.

**Smoked Homemade Goods:** At Butcher Jacks we have our own smoker and drying machine which allows us to make our own range of cooked goods which include smoked and cooked sausages and chicken nibbles all the way to South African treats such as Biltong and Droëwors.

**Specialty Cuts:** Here at Butcher Jacks care about the needs of all of our customers, and promise to supply them with the best products and services possible. For this reason, we will go out of our way to best to cater to any special cuts and needs of our customers.
